

About CCMP Capital

CCMP Capital Advisors, LLC, is a leading global private equity firm specializing in buyouts and growth equity investments in companies ranging from \$500 million to more than \$3 billion in size. CCMP Capital's founders have invested over \$12 billion since 1984 in five primary industries: Consumer, Retail and Services; Energy; Healthcare Infrastructure; Industrials; and Media and Telecom. Selected investments include: Aramark Corporation, Edwards Limited, Generac Power Systems, Grupo Corporativo ONO, Hanley Wood, Legacy Hospital Partners, Quiznos Sub, SafetyKleen Europe and Warner Chilcott. CCMP Capital's latest fund, CCMP Capital Investors II, L.P., closed in September 2007 with commitments of \$3.4 billion.

CCMP Capital has offices in New York and London, and is affiliated with CCMP Capital Asia which has offices in Australia, China, Japan and Korea. Through active management, its global resources and its powerful value creation model, CCMP Capital has established a reputation as a world-class investment partner.
